12                  **[PROPOSED] ORDER GRANTING ADMINISTRATIVE ORDER TO RELATE WILLIAMSON-LONG V. BAYER CORP, ET AL., CASE NO. 3:15-CV-004193-LB AND DE LA PAZ V. BAYER CORP, ET AL., CASE NO. 3:15-CV-003995-LB**

13  
14                  Motion having been made pursuant to L.R. 3-12, and having considered the notice and pleadings in support thereof, the Court finds that both cases concern substantially the same defendants and the same medical device; and it appears likely that there will be an unduly burdensome duplication of labor and expense if the cases are conducted before different judges.
